Frontend Developer

+91 9597737255   etmohan7@gmail.com   Namakkal    <https://www.linkedin.com/in/mohankumar-7324i/>

## Summary

I am a web developer having expertise in frontend development and exposure to back- end development. I design and develop web applications using the latest technologies to deliver the product with quality code.

## Experience

### Company 1

Senior Software Developer Apr 2021 - present

- Use my extensive experience with front end development to define the structure and components for the project, making sure they are reusable
- Keep the code quality high reviewing code from other developers and suggesting improvements
- Interact with the designer to suggest changes and to make sure the view he has about the design is translated into actual functionality
- E-commerce maintenance **with Fastcommerce**, a Brazilian e-commerce platform

### Company 2

Software Developer Jun 2015 - Dec 2017

- Develop web applications based on Sharepoint, Drupal 8 and Episerver
- Lead a team of 10 front end developers, giving support to the client's multi-cultural team, providing feedback, clarifying requirements and helping with technical questions
- Keep the Project Manager and the IT Leads updated on the overall progress of the projects and manage the tasks distributed to the team
- Keep the code and the features implemented by the other developers in accordance to the requirements

### Company 3

Trainee Developer Aug 2011 - May 2015

- Design easy user interfaces and great user experiences for the digital platforms of small companies
- Wordpress development, including themes creation or customization, custom plugins development and training
- E-commerce maintenance with Fastcommerce, a Brazilian e-commerce platform
- E-commerce development with Magento, customizing preexisting themes
- Integrate external services such as payment services, delivery, etc into Magento solutions
